Editor's Letter

Well, there's no getting away from it, the sap's starting to rise now, with all sorts of long-dormant organisms springing back to life again – but that's enough of the effect a new issue of *Men Only* has on anyone who picks it up! Yes, Spring is here, which means it's time to start getting in the mood for summer, a process we're happy to hasten along by getting girls as delicious as Wanda and Sophia to let the sun get to their white bits for us! Still, there's plenty of indoor fun to be had as well, curtesy of our other cuties, so come rain or shine, everyone should be happy!

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 23 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

Dear Michelle,

I've been married for just over two years now, and my wife is a stunner – she's 23 with long, brown hair, rounded tits, a tight little arse. Most blokes would think themselves lucky – and I do – but recently I have found myself fantasizing about women who smoke.

The fantasy had never crossed my mind until last month, when a new girl started working in our small office as a temp. From the moment I saw Steph I was infatuated. Tall and slender, with dark hair and big brown eyes, she wore short skirts, heels and stockings. I know because my desk was opposite hers, and whenever I bent to reach the drawers I had a great view up her skirt!

But strangely, the hottest thing about her was the way she took out a cigarette a just before break-times and rolled it between her fingers. She wore glossy red nail varnish, and there was something so sexy about the way her fingers played with a cigarette, running the tip of a nail up and down the length of it – it made me wonder how it would feel if it was my cock! Mortifyingly, I found myself getting turned-on so much I would get huge erections at my desk!

The two of us were doing overtime one evening, and Steph was having her usual effect on me; my hard-on was so big I knew I wouldn't be able to get to the toilets without her noticing it. I then spotted her sneaking glances at me while purposely positioning herself so I had a clear view up her skirt, as she got her cig ready. It slowly dawned on me, as I saw her smile to herself, that she knew exactly what she'd been doing to me – and that made me even hornier! It was at that very second that she bent to get something from her bottom drawer, and had a quick look at the bulge in my trousers! I couldn't believe it!

"She parted her legs as far as her skirt would allow, then beckoned me over."

I straightened up and we made eye contact before she parted her red lips, feeding the filter gently in and out of her mouth so her lipstick tinted the tip while caressing its length with a fingernail. My mouth dropped open as she produced a gold lighter, and, ignoring the "No Smoking" signs, lit up. Slowly inhaling the smoke, she put her head back and blew the smoke towards the ceiling. Swivelling her chair so it was turned sideways, she arched her back so her tits strained against the material of her low-cut blouse, put her head back and blew out another plume of smoke.

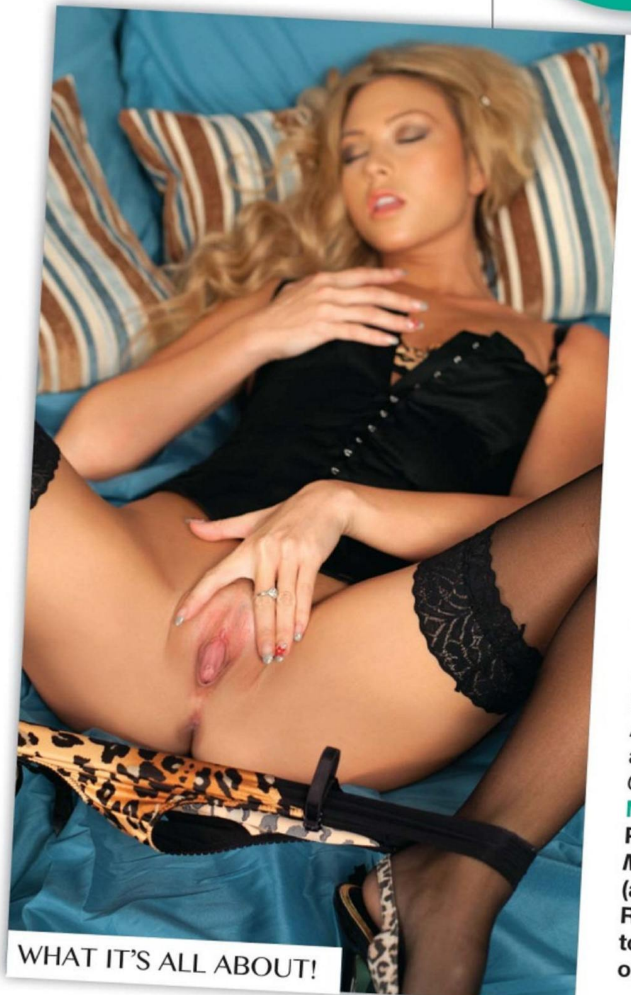
Kicking off her shoes, she parted her legs as far as her narrow skirt would allow, then... beckoned me over to her! I was astounded, but you can bet that I was over there in a flash, hardly daring to believe my luck when she suggested I remove my trousers and pants. I did so in a hurry, and as they slid down my legs she slowly raised a knee and started to fondle my ball-sack with a nylon-encased foot.

I ran my palms up the insides of her parted legs, easing her skirt up, working my way towards her pussy. She was moaning softly between puffs of her fag, momentarily leaving it between her lips as she used her hands to raise herself from the seat so I could remove her knickers. Her minge was dark and beautifully trimmed. I longed to taste it and breathe in the sweet aroma of her pussy-juice. I had to take a deep breath in order to control myself, as I was in danger of shooting my load there and then!

Breathing hard, I began to lap at her, wanting to properly taste her juices. She groaned and started to push her slit hard against my mouth, working her pussy on my tongue. Her cunt tightened around it, and I kept on licking until I heard her gasp and felt her shudder as she orgasmed.

As I raised my head from her now-soaking cunt, she stubbed out her cigarette and smiled at me. Getting down onto her knees, Steph began to fondle my cock – in exactly the same way she had done with the cigarette, gently rolling it between her fingers and running her crimson nails along the length of my shaft. I gasped

"As I raised my head from her cunt she stubbed out her cigarette and smiled..."



WHAT IT'S ALL ABOUT!

Dear Michelle,

As a regular reader of *Men Only* (34 years now) I thought I'd give you my thoughts on your fabulous magazine. I'm enjoying the new theme – the look back to see some of the stunning girls you featured in yesteryear, and also all the stockings and suspender sets you've been featuring lately. It's like you've added another gear! Personally I'd love it if you could add another gear – uniforms! Who doesn't like a girl in a uniform, after all?

Lately I've also noticed an absence of sets by the photographer RB Kane. Please don't tell me that she's called it a day.

Finally I just had to compliment you on your latest issue – what a scorcher! A quick look at page 46 just about says it all! Perfection.

G.B., Redruth.

Michelle says: 34 years?! Proof, surely, that reading *Men Only* keeps you young (at heart, if nothing else!). RB Kane hasn't retired, and to prove it we're featuring one of her sets this issue!

WANDA

WorldMags

As I write I'm sitting in a cluttered office that's being battered by some of the most spectacular wind and rain combinations in living memory, but looking at this set I'm transported to a glorious sunny afternoon last year when we got the magnificent Wanda in for a shoot and suddenly all seems well with the world. And thinking about it, by the time this issue hits the stands it'll be nearer April than February, which means that this sort of summery idyll will be just around the corner once again! Not that everyone, of course, gets to spend their summer afternoons lounging by the poolside while one of the most spectacularly-breasted models in the business disrobes in front of them, but hey – that's what this magazine's for, isn't it? – so that we can take these fleeting delights and record them for posterity and share them with all our readers!

Anyway, back to the present and it seems like three quarters of the country is languishing under three feet of water, which while it certainly doesn't look like too much fun for them, certainly did look like a splendid location for Wanda when we shot these pictures. There's something about the way the breeze-kissed ripples made her boobs jiggle about that would cheer up the dampest of Somerset residents. Perhaps we ought to get the government to send emergency bundles of *Men Only* round the country to help raise spirits…?

involuntarily as her lips ringed my throbbing length, then sank down even further until I could feel the head of my dick pushing against the back of her throat. And just when I thought she couldn't take any more, she did. My last visible inch slid between her lips. Then, she started sucking. I could feel my seed rising, and was moments away from coming, when, abruptly, it stopped. Those full, lipsticked lips slid slowly back up my shaft to my helmet. Her fingers curled around my length once more, pulling my foreskin back up over my helmet. I was going to blow my top any second, and I didn't want to come just yet. "Steph, please let me fuck you!" I begged. She quickly altered her position, standing up and bending over so her palms were on the seat of her chair. To my amazement she then lit up again, sucking in the smoke just as she had sucked my cock into her mouth a few moments earlier.

I pushed my prick between her bum cheeks and felt a spasm of pleasure as she nudged the fleshy folds of her pussy back onto my cock, trying to force me in deeper. She started to writhe her arse from side to side so violently that I had to grab her hips to stay inside her. I held on and pumped in and out of her and, after a few minutes, she yelled that she was coming again! A series of

"Those full, lipsticked lips slid slowly back up my shaft to my helmet..."

Dear Michelle,

I just wanted to write in and say how much I loved the pictures of Chantelle in your latest issue – what a stunning natural beauty she is, and when combined with the wonderful make-up, lighting and styling, she really looks out of this world! I love big boobs of just about every variety, but there's no beating a naturally large, shapely pair like Chantelle's; that opening shot to the spread showed them off perfectly, with a bit of daylight shining off her right boob and really showing them off to their best advantage! Hats off to the photographer, and please let's see more lovely boobs like Chantelle's in future issues!

Peter, Croydon.

Michelle says: Chantelle certainly caught the eye of everyone in the office as well – and if we can find more girls like her, we'll certainly be featuring them, no fear about that!

sudden jerks shot through her body, her muscles tightening around my dick, and I stayed inside her until her breathing quietened.

Our fuck was a one-off – I love my wife too much to have an affair – but I'm grateful to her for showing me that I have a fetish for something as common-or-garden as the humble cigarette.

Roy, Newbury.

> "I pushed my prick between her bum cheeks and felt a spasm of pleasure"

Dear Michelle,

Is there anything about Kayden Kross that isn't perfect? Possibly her table manners or something, but from where I'm sitting, she really can't be improved upon. And seeing her dolled her up in a bridal costume in your last issue had me reaching for the tissues in record time! And if that weren't enough, you only go and give us one of the world's other most stunning porn models in Sunny Leone! What a perfect double whammy!

Incidentally, I'd like to disagree with Dave, who last issue said there was no place for girls like Clover in your magazine – I thought she was stunning and definitely worthy of inclusion.

Alan, Timperley.

Michelle says: Thanks Alan – and everyone else who wrote in to disagree with Dave about Clover!

P.T.O for more...

ANITA

Photos: DDF

Ah, if it isn't the spectacular Anita Pearl! It feels like ages since we last hooked up with her, but damn if she isn't looking even hotter than ever! So what's the girl been up to since we last met?

"Well, I've finished my studies. That's why I wasn't doing so much modelling for a while – I wanted to concentrate on my finals so I ducked out of the scene for a bit."

Hmm, very commendable, we're sure! It's good to know that even flighty adult models are actually pretty conscientious when it comes to their education. Mind you – I never bothered too hard at college and I ended up writing blurbs for *Men Only*, so perhaps an education is overrated anyway ***(I think that's what you call a self-defeating argument! – Ed.)***! Erm, but now you've finished, hadn't you better knuckle down and find a job related to your studies, Anita?

"I suppose so, but I figured that the world isn't looking too short on events managers at the moment, so I figured I'd get back to modelling for a bit!"

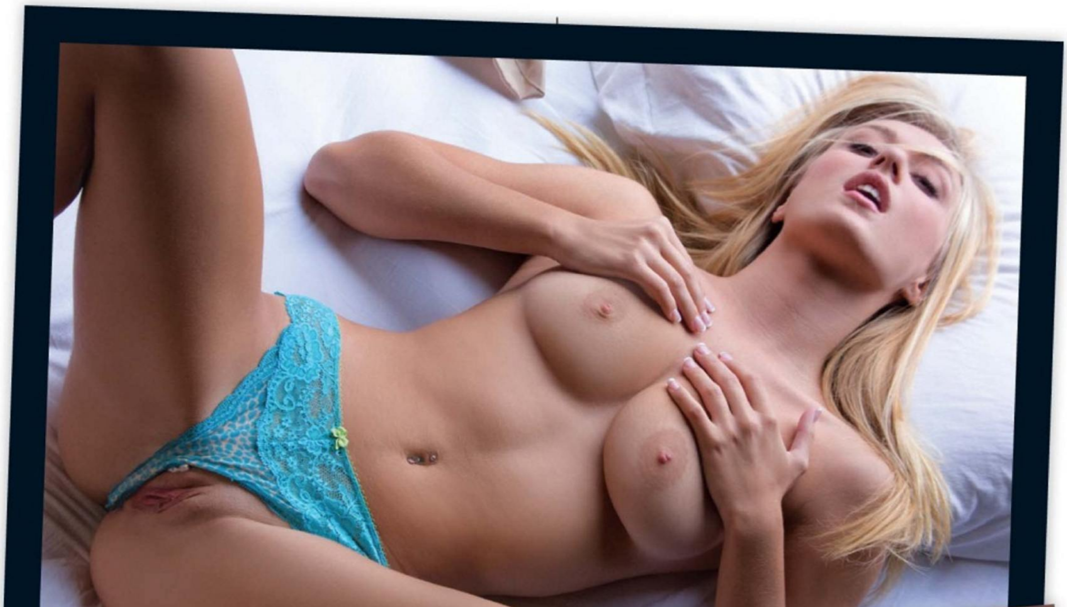
Good thinking, because what the world definitely is short of is girls as sexy as you!

Has your girl been getting up to anything naughty lately? If so, why not get her to write in to us – and if it's raunchy enough to use in Miss Behaviour she'll earn herself a double dip busting £50! Send your letters to Miss Behaviour, Men Only, PRP, 23 Lyon Road, Hersham, Surrey, KT12 3PU or email them to menonly@paulraymond.com. Come on – what are you waiting for?!

Miss BEHAVIOUR

Real Life Adventures

When Kerry's around it's not just ponies who get ridden…



I expected to be nothing but bored when I was arm-twisted into taking my little niece to her pony riding class one morning last summer. However, once I laid eyes on her riding instructor I found myself nurturing a strong interest in horses, and began fantasising about taking some private lessons with Paul myself.

It may have had a lot to do with the way his jodhpurs looked like they had been sprayed onto his lower body, displaying his well-defined muscular buttocks and thighs to perfection, and leaving nothing to the imagination where his tackle was concerned.

Then again he had rugged good looks and a commanding presence, all of which made me weak at the knees. My animal instinct took over and I found myself flirting shamefully with him once the lesson was over. Armed with his telephone number I drove my niece home and then took a hot bath to relax me so I could whip up enough courage to phone him.

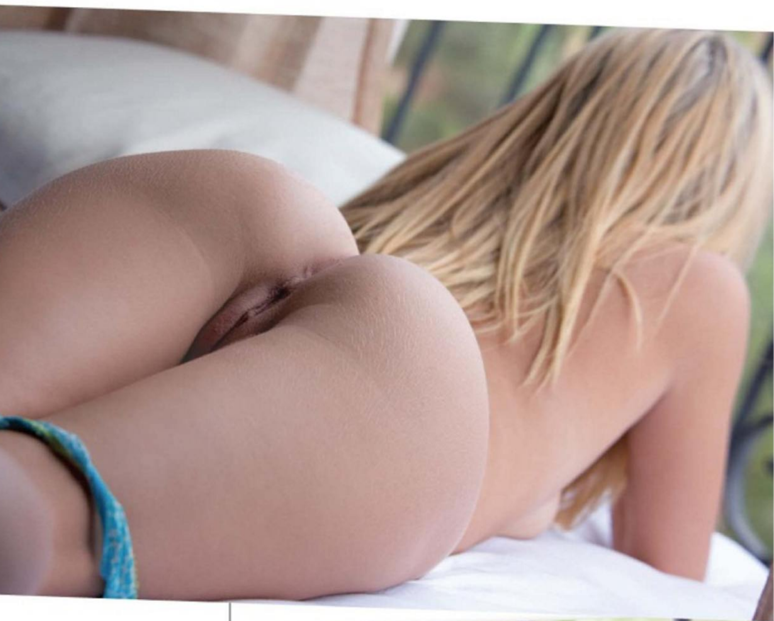
> "Without realizing it, my hand slipped in under my bath-robe and I began gently stroking my pussy."

After a long luxurious soak I made the call, and found that his voice sounded as sexy on the phone as it had been face to face. The attraction between us was obvious, as the conversation soon became very sexual. Without realizing I was doing my hand slipped in under my bath-robe and I began gently stroking my pussy. Paul's strong masculine voice reminded me of the way his jodhpurs had hugged his body and as our conversation became increasingly more intimate my finger slid across my clit with greater speed and intensity.

I came hard and fast, gasping into the phone as my orgasm engulfed me, and Paul, who seemed to be enjoying the same self-indulgence as I was, let out a sharp grunt of pleasure as he also achieved climax. I withdrew my finger from my streaming pussy, and tried to catch my breath while listening to Paul's sated sigh at the other end of the line. I sucked the pussy juice from my fingers as Paul told me he had a class that early evening, but if I was interested he could visit me afterwards and give me a "private lesson"!

Giggling, I gave him my address, and told him to be sure to wear his jodhpurs and boots as they totally tripped my trigger. He arrived as promised, still wearing his riding togs, and I was so turned on that within nanoseconds of reaching the bedroom I had removed his shirt and was attempting to undo his riding breeches.

His tall body loomed over me and he set me back a little so that he could look me over. I am a petite blonde, with large boobs, a narrow waist and softly curving hips and Paul seemed to be very pleased with what he saw. He let out a whistle of approval as he drank in the tiny black chiffon baby-doll negligee I had chosen to wear over a miniscule pair of matching lace panties, some hold-up stockings



and extremely high heels.

I was not going to wait any longer before uncovering the prize which was barely hidden by the stretchy fabric of his jodhpurs and I set about releasing it without further ado. As I eased them down his hips along with his boxers I was pleased to see that his whopping big cock was every bit as magnificent as the bulge in his jodhpurs had promised. Taking it almost reverently in my hands I began to stroke it as he caressed my boobs through my negligee.

He sat down on the side of the bed and I knelt on the carpet between his powerful thighs and sucked his cock. The feel of his leather riding-boots on either side of me felt extra exciting, and I bobbed my head on his phallus gleefully as his fingers found my nipples. My pussy was dripping as my pleasure intensified and I sucked him deeply, making him moan as my tongue worked its magic on his fleshy cock-head.

With a groan he jerked me away from his cock, apologising as he did so as he was afraid he would come too soon and ruin our pleasure. Lifting me to the bed he slowly raised the negligee over my head, and, laying me back, peeled off my panties. He left me to finger my slit as he struggled to remove his riding boots and breeches, and once he had stripped completely my pussy was ready for him, slick with my sensual libations.

Parting my pussy lips, he began licking and sucking my pussy nectar as it welled up inside my throbbing pink slit. My excitement built each time his tongue flicked over my clit until I felt my pussy contract and I started to come. Lifting his head, he replaced his tongue with his fingers and began frigging me vigorously so that one orgasm seemed to crash into the next.

“My pussy was dripping as my pleasure intensified and I sucked him deeply, making him moan...”

I had never experienced anything as sexually overwhelming as that before and as his fingers withdrew, my pussy continued to convulse as the sensations of pleasure slowly ebbed. I was on a total high as Paul moved on top of me, his muscular thighs pushing my soft ones apart as his thick cockhead pressed against my pussy.

He gently stroked my nipples, teasing and tweaking them to hardness as his cock pushed against my entrance. My hips rose to meet his first thrust, and his thick cock impaled my pussy as he drove it deep inside me. My vaginal muscles gripped his thick shaft as he worked it even deeper, each slightly twisting thrust creating the most delightful friction as his muscles drove his shafts balls-deep inside me.

Paul fucked me faster, his momentum growing as he pushed me ever closer to orgasm. My back arched with the intensity of my excitement as he began the final assault, ramming his cock inside me and bulldozing me into the most glorious orgasm ever as he emptied his load inside my pussy, basting me with his come.

He always wears his jodhpurs when he comes over now, and every time is just as intense as that first fuck we had. Who’d think riding lessons could be such fun?

WOE THERE! THE DICTIONARY OF OBSCURE SORROWS

http://www.dictionaryofobscuresorrows.com

They say that the Irish language has around 200 different words to describe rain. Well, here's a site that is actively compiling words (and their definitions) that one might use to express the seemingly innumerable facets of existential human misery.

Nodus tollens, for example, is the realisation that the plotline of your life no longer makes sense to you — that although you thought you were following the arc of your story, you keep finding yourself immersed in chapters you don't understand.

Lachesism, on the other hand, is the desire to be struck by disaster — to survive a plane crash in the Andes and have to eat the old woman in the window seat next to you, to lose everything in a conflagration, to plunge headfirst over a waterfall and land on your head on a big pointy rock — the sort of disaster which would put a kink in the smooth arc of your life, and forge it into something "more defined".

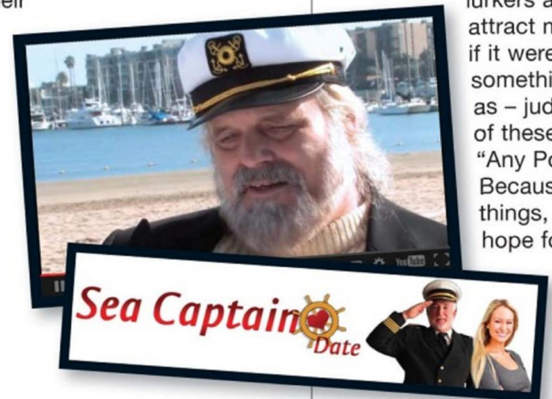
Vemödalen is a word with an especially melancholic definition, referencing as it does the frustration of photographing something amazing when many thousands of identical photos already exist — the same type of sunset, the same waterfall, the same close-up of an eye —which can turn a unique subject into something hollow and pulpy and cheap.

Where these terms and definitions actually spring from hardly seems to matter, so rich and varied is the lexicon of sadness, yearning, solemnity, emotional emptiness and sorrow they describe. Even if the words are made up, space should be made in the dictionary for them.. after all, most of them really mean something quite profound.

HELLO SAILOR DATE A SEA CAPTAIN

http://www.seacaptaindate.com

"Connect With Over 10,000 Sea Captains Online Now!" cries the website. That's right: these lusty, trusty, dependable mariners are all sitting at their captain's desks tapping flirty shite into their laptops as their ships weather the monstrous swell, all over-ten-thousand of them, right this very second.



I don't believe it for a minute. And neither should you. In the first place why would anyone want to date Captain Birdseye? There's even a video of a Cap'n Birdseye lookalike with an arm round a Wurzel Gummidgey bird on the Home page.

In the second place, while a few of the men looking for companionship who hang out on this website appear to have genuine nautical affiliations and appear in full dress uniform with expressions on their desperate faces which suggest they're going down with their ships, the remainder's connections with water and floating objects are somewhat tenuous at best.

In short: alas, this rather mental dating site is awash with nutcases and lurkers and would probably attract more women members if it were to be called something more honest, such as – judging from the profiles of these mostly dodgy gents – "Any Port In A Storm". Because from the looks of things, the best any lady can hope for in the way of what the site offers is some bloke who owns a boat or dinghy, or, given the male age demographic, an Ancient Briton paddling a coracle.

Then, there's "RogerTheCabinBoy" and "AllHandsOnDick", whose usernames speak volumes.

The last word should go to Password123, a 78-year-old from New Orleans, who has the shortest profile. It reads: "I clicked on that Google garbage and my machine sent me here. What the hell is this crap?"

QUICK PICKS

Tunes Not Buns For Starving Pachyderms Music For Elephants
http://www.youtube.com/playlist?list=PL07228141C088A986

A page of videos chronicling the frankly irritating antics of a man who takes animal welfare seriously and isn't afraid to travel halfway round the world to bring succour to mammals in need. Mediocre pianist Paul Barton explains: "I took my piano to the mountains of Kanchanaburi to play for some very old, injured and handicapped elephants, especially a blind elephant named Plara."

Paul sets the scene for another of his videos: "In 2012 much of Thailand including Bangkok was submerged under muddy floodwater, the most severe flooding in recorded history."

So to help with the disaster relief effort he had himself filmed playing The Sting by Scott Joplin on an out-of-tune, frontless piano to a young elephant. It sounds really bad and while Paul seems to be having a spanking good time, the poor pachyderm keeps poking his face with its trunk, frantic and starving for a bun which never comes.

On behalf of the elephants of Thailand, Paul, thanks for finally leaving them alone to deal with their dire situation in peace. You and your f***ing piano.

Facial Ticks The Human Clock
http://billychasen.com/clock

A real-time, accurate online clock which displays the time in digital format using pictures of people posing, contorted, climbing on each other, or performing acrobatics. The sevens and zeroes look especially hard on the spines of the people forming them, while the threes just look strange, with two blokes locked together in an L-shape and a woman, bending at the waist, standing stiffly on one of the bloke's upraised bum.

The human clock, which is formatted to count off the seconds as well as the minutes and hours is very clever, but not exactly useful, being difficult to read unless you push your computer chair back to the other side of the room to gain sufficient distance that your eyes can make sense of it, and given that it can only be accessed by navigating to the human clock page and staring at it until such time as you surf or tab to another page… or your browser does the kind thing and crashes.

NATASHA

Photos: Twistys

WorldMags.

What is it about showers, eh? Last issue we had the stupendous Sunny Leone giving us a demonstration of just how horny a girl could look while doing her ablutions, and now our very own Natasha Marley is giving it a go as well! So Natasha, does having a shower make you feel especially frisky?

"Of course it does! Doesn't everyone get the horn in the shower?" She grinned, flicking her nipple with one hand and her clit with the other just to prove the point.

Well, we had to admit that, faced with the evidence in front of our eyes, it'd be a mad (or dead) man who didn't find the whole thing utterly captivating, but by then she was far too gone in her own reverie to worry about what we were on about. Say what you will about the staff on *Men Only*, but we know when to sit back and shut up, and that's exactly what we did as Natasha got on with what has got to be one of the most thorough showers ever – blimey, the nooks and crannies she got to as she hosed herself down under the steaming jets!

Never before has watching someone get clean made us feel quite so deliciously dirty!

MAYFAIR

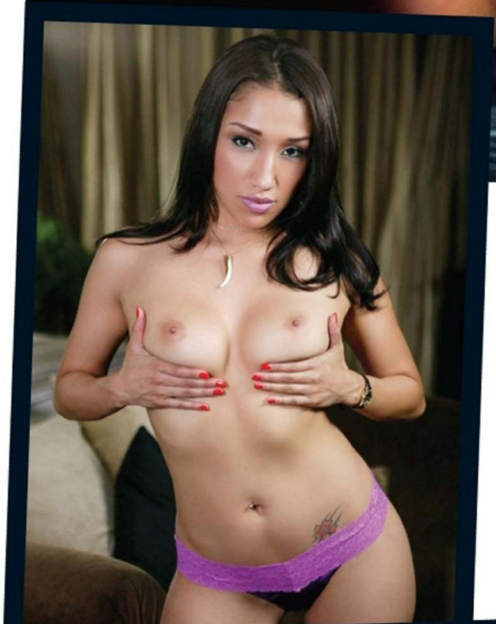
Vicki Chase

Vicki Chase is not your typical looking porn star, but there's no denying she's hot. In her scenes she projects that sex-is-fun attitude that's so captivating. The former bank teller started in porn rather late. The 5'4" bilingual hellcat was already 25 when she met much older porn actor Eric John over the bank counter and next thing you knew, she was letting him make a rather large deposit. One thing led to another and the brunette decided on a career change...

Since 2010, Vicky has been on a whirlwind path to porn stardom, especially after pulling PR stunts like getting married to Eric at the Hustler booth at the AVN Expo convention in Vegas. Today, Vicky and her hubby are a well-loved couple in the porn community, and they often work together.

Vicky was born in Los Angeles of Hispanic heritage, but because of her somewhat almond-shaped eyes, she is often mistaken for Asian. Thanks to this she has a loyal fan following in both camps! She's got an amazing behind, not to mention talent, and attitude. Her oral skills are second to none; she truly has no gag reflex whatsoever and deep-throats the biggest cocks in porn over and over like she was born to do it.

Text: Lobo Press **Photos:** Hustler Video & Digital Playground.



What was it that made you get into porn in the first place?
Being a bank teller is pretty boring. One of the bank's customers was this hot 40-year old guy, and he started asking me out and we fell in love. He was so normal and his work as a porn actor seemed like such fun. On top of all that, he was great in bed. I just had to try his lifestyle for myself.

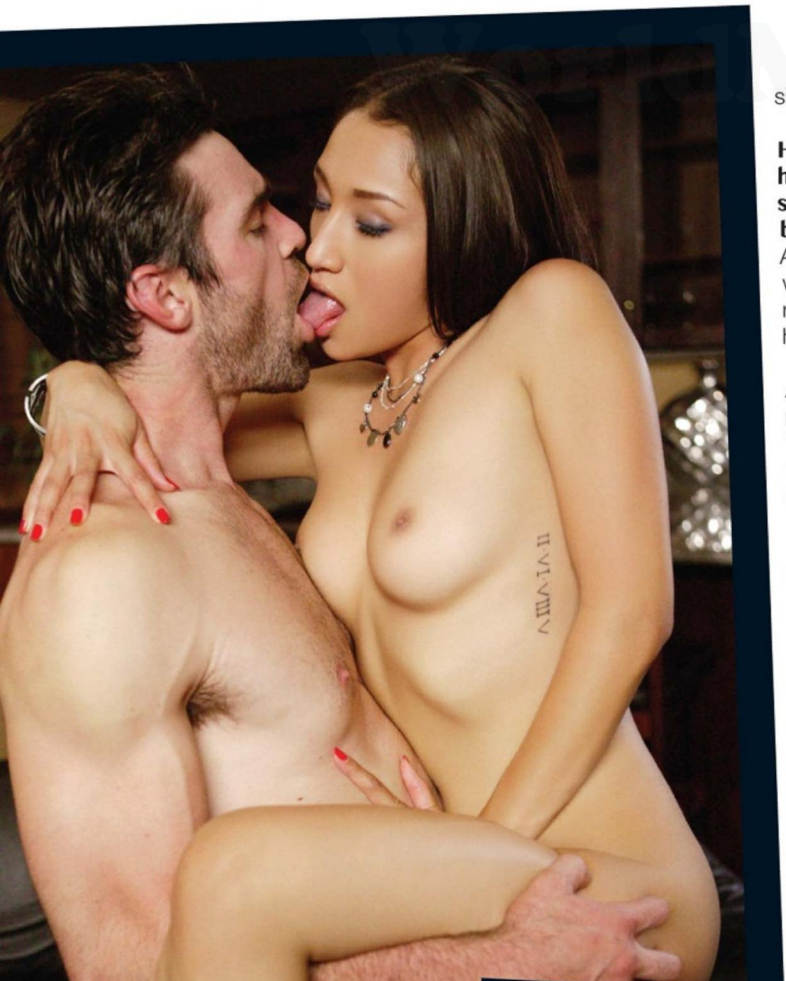
Is it difficult to maintain some normalcy, as a porn couple?
I don't think so, because we never had any secrets. And for us, doing porn is very normal; it's just like any other job. I think it's easier when both people do it, because we understand what the other one is going through. Not many couples could live lives like we do, have days as full and crazy and over the top as us. I don't think an outsider would understand.

Are you swingers?
We don't call ourselves swingers and we don't have time to go to swingers' parties, but sure, if I want to fuck someone else, then that's definitely not a problem.

Would you like being a contract girl for any company in a future?
It would certainly be an honour to be a contract girl, but I doubt that would happen unless I had some plastic surgery. I'm happy with who I am, I don't feel like plastic surgery is something I would plan on getting any time soon. If I could be a contract girl, I'd definitely choose Digital Playground. Those girls are hot, in fact, too hot!

Some girls are working in porn only for the money, any other girls work in the business for the money and

“I’m never completely satisfied. I feel great after sex, but I’d accept more cock within seconds...”



because they love sex, Are you one of those girls who enjoy it, and feel nasty and happy in front of a camera?

I'm definitely the girl who comes to set and loves my job! Not only do I get to have sex with professionals, but I get paid to do it. I also love the fact that I get to act out fantasies on camera while knowing someone somewhere is jerking off to me. I love to be watched!

What has been the biggest surprise to you?

That I'm such an exhibitionist. I didn't know that, because I had never really had sex in public or in front of people before. My sex life was extremely bland and basic, very vanilla stuff.

Did you watch a lot of porn before you got into the industry?

No, not at all. In fact, I thought all porn was fake. When I was younger, I thought all porn was like softcore, where it was all simulated!

Have your viewing habits changed at all since you entered the business, then?

Actually, no. I don't even watch my own movies, really. I've only seen a handful, if that many...

Are you a chronic masturbator?

Well, not chronic, but I try to masturbate every day, if I don't get laid that day. I use this one blue toy that I've had forever. It's a soft rubber dildo that always gets me off. But normally I prefer to have my husband fuck me. Cock meat is better than plastic.

What other hobbies do you have?

Well, I'm a fairly good housewife and I actually like to cook and clean, so I spend a lot of time decorating our apartment, doing laundry and buying groceries. Normal stuff.

What do you prefer to be in as a performer, gonzo porn or plot-based porn?

It doesn't matter, but a scene is fun to me based on originality. I love creativeness. It's easier if you're both sharing the same fantasy to act out rather than just starting the scene sitting on the couch making out without any specific directions from the director!

Do you prefer to work with your husband Eric or do you like new talent better?

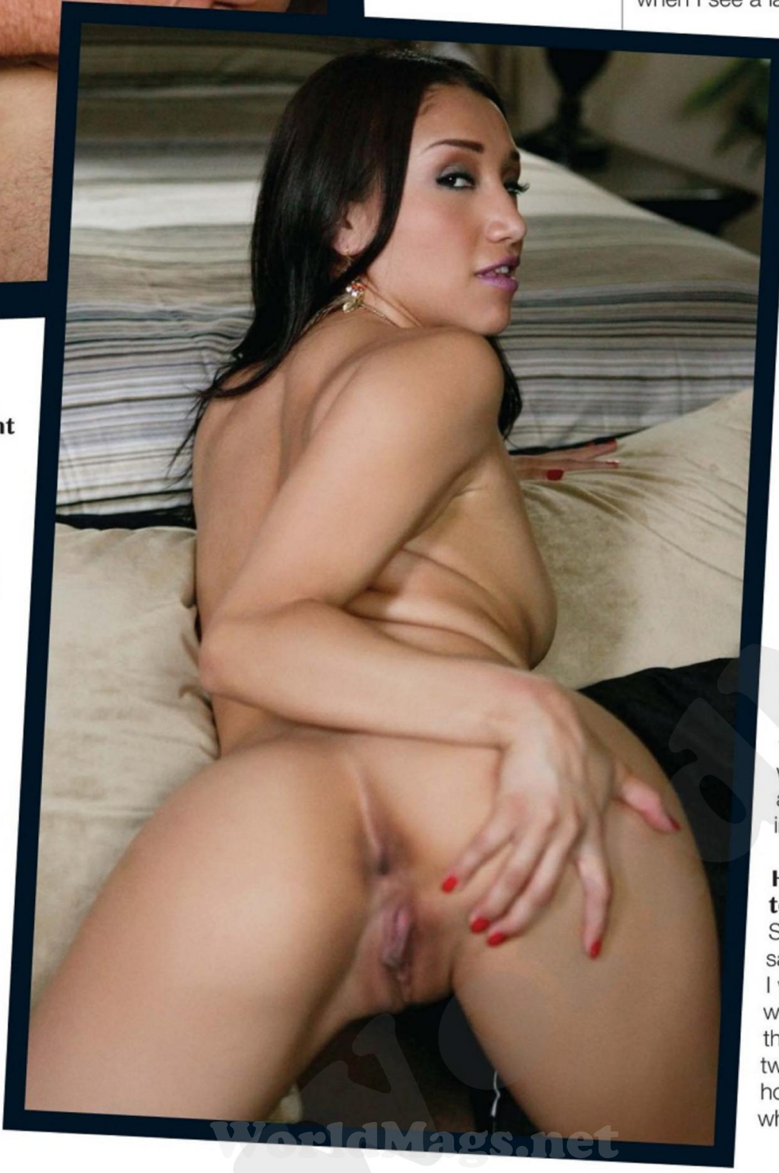
I can fuck Eric at home, so although I like working with him for practical reasons, like car-pooling to the set, it is much more exciting to fuck someone new. Of course, it is also nice to have a cock at home so that I don't get cock withdrawals!

Which are some of your dream guys to have sex with, on or off camera?

I'm into the hung studs, like Mandingo, Lexington Steele or Rocco. Big cocks are fascinating to me. I'm not into small dicks, I never was. I'm just being honest here!

You are known for your deep-throating. How do you do it?

I think I can do it because I get so turned-on when I see a large cock. It makes it very easy to swallow it all to the root. I don't really know what else to tell you, there are no tricks, just total cock hunger.



What have you found is the most common misconception civilians have about porn movies?

People think it's just sex. Like, you show up, fuck and get your money, but it's not that easy *(Waaa?! – Ed.)*. I notice now that I always go through the scene in my head, what I will do next, where I will put my hands, how we will fuck. You have to know what you doing and sometimes I'm thinking too much. But I still come in my scenes. Not all the time though, but I wish!

How was your first sex scene?

I'm not going to lie; my first time on set I was really, really nervous when I arrived. At first I thought it would be too difficult for me. But after we had started fucking I got into the whole thing, so…

How much sex do you need to feel fine?

Sadly, I'm never completely satisfied. I feel great after sex, but I would happily accept more cock within seconds. I've discovered that I need sex at least once every twelve hours or I start to get so horny it affects my life to the point where I can't get my mind off it!

SOPHIA

Photos: **Expossurezone**

Given that Sophia Knight is quite possibly the loveliest lassie to hail from Scotland, we thought we'd take the opportunity provided by this shoot to grill her on her thoughts about the forthcoming independence vote. Well, she launched into a complicated critique of the various plans outlined, pointing out that monetary union without political union was unlikely to be sustainable, but adding that the Scots haven't really been represented by Parliament for donkey's years. By the time she'd done we were more confused about the whole thing than when we'd started, so we just nodded approvingly and then, well, asked her to take her clothes off for us.

As you can probably imagine, this was far less heavy going than the complex independence debate, and as she slipped out of her bikini we soon felt we had a firm grasp of things. One thing's for sure – if either the yes or the no campaigners could persuade Sophia to appear in a little picture box by their vote in the referendum itself, they'd win hands down!

BUNNY

Photos: **BB Media**

Bunny here made her top-shelf debut a few months back in our sister title *Mayfair*, and went down rather a storm with her combination of exotic good looks and cheeky charm, so we figured it was only fair that *Men Only* readers got to sample her delights as well! It also gave us a chance to a) get another eyeful of her delicious bod ourselves and b) catch up on how things have been for the super-cutie since she first bared all last year. So Bunny, how's it been?

"Oh, it's been amazing!" she gushes. For a start, I just feel a whole lot sexier and more confidant in myself, and secondly my current boyfriend can hardly keep his hands off me; he's so crazy about the idea of going out with a top-shelf model!"

Well bully for him, although are we to understand that before you were first published he found it relatively easy to keep his hands off you?!

"Er, no, thinking about it, he was always pretty horny then as well!"

And who could blame him?!

REVIEWS

The evenings are starting to get a bit lighter now, but the same can't be said for the horror-tastic releases that are out this month!

DVD

Game of Thrones 3

Warner Home Video

10/10

OK, so last issue we reviewed *Vikings*, which was actually a pretty bloody good offering when it came to filling those long dark evenings, but now we'll assume you've got that ne out of the way now and are now hankering for something else - and the good news is that prior to the soon to be aired season 4, Game of Thrones 3 is now out on DVD and Blu-ray, so if you haven't got Sky Atlantic, and therefore missed it when it was broadcast last year (or perhaps you did watch it but now – quite rightly, frankly – want it for keeps), then tuck in! The plot's evolved further, getting more and more complicated, meaning there's so much here to keep all but the sniffiest readers of the books (you know, those ones who can't really abide the idea of a screen adaptation in the first place) happy as larry for many a long hour.

So what's happening? Well, the Starks are continuing their northern revolution, the Lannisters are clinging onto power any which way they can, and things are getting decidedly unpleasant north of the border. Plus a plot twist to knock the stuffing out of you as well. Brilliant stuff!

We Are What We Are

Entertainment One

Name sound a bit familiar? Well that's understandable, because this is an English language remake of a pretty creepy Mexican flick from 2010 (*Somos Lo Que Hay,* or, indeed, *We Are What We Are* when translated). If you saw the original you'll remember that it centred on a cannibalistic family who do their best to soldier on after the death of the father. It was an unsettling affair, and this remake, which stars Bill Sage as loopy paterfamilias Frank Parker keeps standards suitably high. Stylish, gory and unnerving – just what you want, in other words!

Mara

Eighty Eight Films

Eighty Eight Films have made a name for themselves by digging out and reissuing all sorts of exploitation and horror flicks from yesteryear, but this time round they've released a brand new title – a Swedish horror, no less. It's not in the same league as *Let The Right One In*, sadly, but then not too many films are, are they? Angelica Jansson stars as Jenny, a girl traumatised by childhood bloodshed, and unfortunately for all involved takes some chums back to the scene in order to exorcise some inner demons. Doesn't really work out like that, though!

This Is Jinsy 2

Delta

If your one of those folk without Sky Atlantic, this is another treat you'll have missed out on, along with *Game of Thrones* – not that the two programmes have much in common apart from that! Something not entirely unlike *Psychoville* (but with plenty of other deranged elements thrown in as well), it's a series of utterly loopy plots written and performed by some of the most inventive comic minds in the country. Cameos from pretty well everyone worth asking combined with humour so skewed it's practically back to being the right way round again make this a cult choice that you'll either love or hate. Probably love.

Nothing Left To Fear

Anchor Bay

Blimey, not another horror – what's going on this month? Perhaps it's the post-Christmas dip or something, but it seems like half the films coming out this month are chillers. This one's the latest addition to that traditional American horror trope in which a family moves into a new house, all brimming with optimism, only to discover that their new gaff's really a hell hole. And in this case, that's literally what it is – a portal to hell itself, where human sacrifices must be made to assuage the demons that lurk beneath. A good old fashioned supernatural slasher, then, and none the worse for that!

GAME

Dark Souls 2

Namco Bandai

PS3, X360, PC.

7/10

Looking for something pleasant and airy to blow away all the creepy cobwebs after all those gore flicks? Bad luck – there's none of that to be had here! The original *Dark Souls* was a right bugger to play, the task in hand of trying to lift a curse which you'd been placed under was one of the most fiendish in gaming lore, and quite frankly anyone who made their way through it and came out in one piece can give themselves a great big bat on the back (assuming their shoulder muscles haven't atrophied after all the hours they must have spent in front of the telly jiggling their thumbs). Well here's the bad news – this sequel is, quite possibly, even more difficult than its predecessor. So, if you're after a game that sees your character getting offed in countless different ways every few minutes, this'll tickle your fancy no end. Probably not something to try if you're new to this gaming malarky, then, because it'll drive you round the twist. That said, the open world is more expansive than last time round, and the gameplay's been tweaked up a level too, so come and have a go if you think you're hard enough…

PILOT TIGHT

I've been a huge fan of anal sex for many years now, but my current boyfriend had never tried it before meeting me. I knew he was keen to try anal but our first time was a very pleasant surprise to me. We spend long periods of time apart because we both work for an airline company, I am a stewardess and he is a pilot. Recently we finished different flights and were staying in the same hotel and that is where the fun began!

Colin had already checked in by the time I got to the hotel. I hurried to his room and was greeted by him in just his underwear. I walked in, dropped my bags and we were instantly in a passionate embrace. As we kissed he was already starting to undo my clothes.

I reached down into his boxer shorts and wrapped my hand around his throbbing cock; it was obvious how horny he was. I could feel myself becoming very wet as we continued kissing. I helped him strip me until I was down to just my stockings and thong. I lifted my leg to roll my stocking off but he told me to leave them on. I slid my thong off and knelt down to pull his boxers off releasing his rigid cock. I sucked his cock in to my mouth and sucked deeply, revelling in my first taste for three weeks.

I knew how much I wanted to feel Colin's cock inside me again and did not linger long before standing up. He took my hand but instead of leading me towards the bed he lead me to the dressing table.

I didn't know what he was planning but I was getting very wet in anticipation. He turned me to face the mirror and started to caress my tits while kissing my neck. I could feel his cock against me. He slipped one hand down to my pussy and slipped a finger inside me.

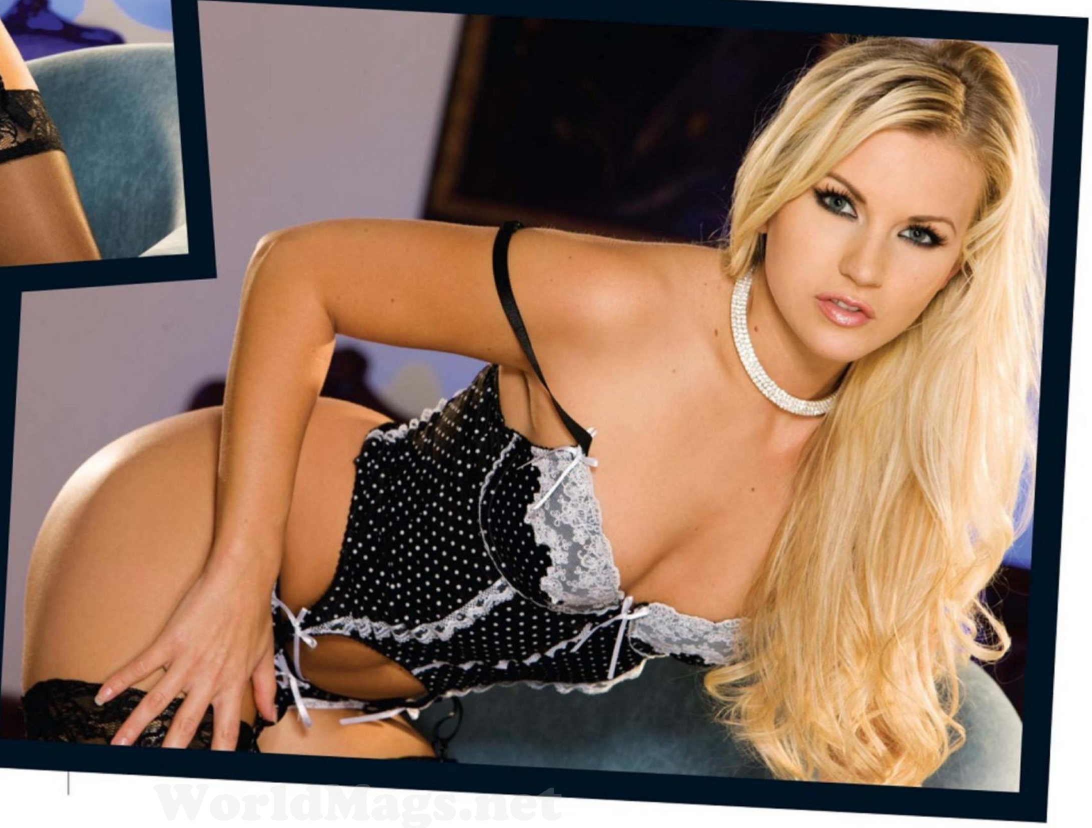
"Boy, you are excited today," he chuckled. He told me to bend over and of course I instantly did as he asked. I could see the look of pleasure on his face in the mirror as he guided his cock to my wet opening.

He eased his cock in to me and I moaned with pleasure. Gripping me by my hips Colin started to slowly thrust in and out of me building the pace. It felt so good to have his cock inside me again after so long that I came almost instantly. I could hardly contain my wild cries of pleasure as he eagerly fucked my sopping wet cunt.

He continued fucking me until I had come twice more. I felt him slowly withdrawing his cock from my pussy and was slightly confused as to what he was planning next.

> "Gripping me by my hips, Colin started to slowly thrust in and out of me, building the pace."

Moments later I had my answer as he eased my bum cheeks apart and I felt the head of his cock touch my arsehole. It felt like a shock of electricity passing through me knowing what was coming next and that this would be his first time. He pressed the head of his rigid cock to my tight hole and gently applied more pressure. I could feel him



"I could feel him stretching my bum hole and suddenly he was in."

stretching my bum hole and suddenly he was in.

It was evident from the look of pleasure on his face in the mirror that he was experiencing a fantastic feeling with his cock in my tightest hole. His cock filled me completely and felt fantastic. Slowly he eased more of his cock into me until he was buried to the hilt.

Ever so slowly he thrust in and out of me. I could feel another orgasm building inside me and knew I would come again soon. His cock slid in an out of me with increasing speed and I was soon moaning with pleasure as I came again. As he continued to ram into me he reached round and pinched my nipples roughly – something which is guaranteed to bring me off, and sure enough I came twice before I felt the first jets of his hot come shooting into my arse. Even when he stopped fucking my arse hole I could still feel his come shooting inside me, filling me right up with his hot seed.

"As he continued to ram into me he reached round and pinched my nipples roughly..."

It took us both ages to get our breaths back, but as he slowly withdrew I felt some of his come escaping from my well fucked bum and trickling down the inside of my leg. The look on his face was one of wicked pleasure.

Since that first time in the hotel I'm very happy to say that anal sex has become a regular part of our sex lives. We go on holiday properly next week and our room has a balcony so who knows what surprises he has planned for us! I think I can guess one of them, at least!

Julie, Barnet.

ANYA BIKE!

I spent a lot of last summer travelling around Europe, spending my redundancy package during the six weeks before I started my new job. Everyone thought I was mad – but I'd missed out on the irresponsible stage of my life and my recent holidays had always been two weeks in the Spanish sun, lying on a beach. Those holidays hadn't my choice but I'd got rid of the man who forced those choices on me, so I was free to do what I wanted and what I wanted was to go backpacking around the lakes and mountains of Europe. I'd taken a flight to Salzburg as that looked like a good place to start and headed towards the Alps. There was still blue sky and sunshine but it was so much more uplifting to be surrounded by mountains. And it was when I ventured deeper into the mountains that I met Anya.

I'd left both Austria and the Alps behind, having crossed over the border into Slovenia and the Dolomites when I stopped at a little café. I dumped my dirty pack and chose a table. Anya detached herself from a noisy group of locals and approached my table almost as if she wasn't used to customers. Our eyes met as she produced a pad. "May I take your order?" she asked in confident English and I wondered, not for the first time, what gave me away as being an English tourist. I looked at the name badge on her blouse – Anya – and found that her gaze had dropped into my cleavage, as might a man's. Had she thought I was looking at her breasts? The material of her blouse was thin and her breasts were visible. I grabbed the menu, desperate for an excuse to stop looking at my waitress's tits.

"Just a black coffee and a ljubljanski zrezek." Her face cracked into a grin ay my terrible pronunciation and she hid a pretty laugh behind her hand. Her eyes sparkled in such a way that I wondered whether I had suggested something rude. She scuttled away but surprised me when she came back: "May I join you?" I nodded uncertainly and she scraped her wooden chair across next to mine. She didn't take her eyes off me as I ate. I was dazzled by the attention, not having had much company for the previous week and we chatted long after the food and drink were finished. She spoke excellent English with a very slight accent and it was clear that she was enjoying exercising her linguistic talents. "I am glad to meet you," she said, when there was no more excuse to stay. She gave me her hand to shake, holding mine for a few long seconds. She looked into my eyes; a

> "I grabbed her arse, squeezing and pulling her harder against me."

questioning, inviting smile on her lips. It was my first physical contact for weeks, and it was undeniable that I felt more than a little sexual attraction for my sexy waitress. Her eyes were darkly intense; her lips full with a slight, hopeful smile. An image came to mind of the contrast between her radiant olive skin and my hidden still-white bits. Still, there was nothing to lose, no consequences. Wasn't this what travel was all about: new experiences? Plus, if I made a pass at her and she rejected me, no-one would know.

"Can I buy you a drink somewhere?" I asked. "A proper drink," I added, which made her frown at the lost meaning. "A glass of wine maybe?" I didn't know how to ask her out subtly but the fact that I was doing it at all was getting me aroused. The way she was looking at me, that slight sweet smile, the material tight against her breasts.

"That would be very nice," she said, smiling. Perhaps the meaning hadn't been lost in translation. "I like you. You have nice… eyes," she added, biting her lip. She wasn't looking at my eyes when she said that.

"So do you," I said, laughing as I openly stared at her blouse. It really was very sheer material and her bra-less breasts were on partial display. "Maybe we could go somewhere private?" she asked, blushing slightly as she guided several loose strands of dark hair behind her ears.

"I'd really like that," I replied, realising that it might actually be happening. She gave a quick-fire explanation to the women on the terrace and then skipped down onto the street. I was grinning as I followed, giddy with excitement as she led me through the pretty, touristy area and on into the more practical area of town. She held my hand and that small gesture seemed both tantalizing and erotic. We stopped and she put her arms around my shoulders then kissed me softly. She opened my mouth with hers and probed my lips with an insistent tongue. I returned her kiss, breathless with excitement as our tongues swirled. The intensity grew, and our bodies pressed together. I grabbed her arse, squeezing and pulling her harder against me, making her tits squash up against mine. I was getting hot and slightly crazed for her, but as my hand pressed up under her back of her blouse, she twisted and squirmed and wriggled her way free. She dashed over to a stairway then paused.

"If you want me, come and get me," she said playfully, screeching as I set off in pursuit. I couldn't believe the suddenness of events but ran up after her, taking the steps two at a time. She was letting herself into her apartment as I caught her. She shrieked a protest as I wrapped my hands around her body – my left hand squeezed her breast while the right slid into the waistband of her skirt. Her legs were parted and my fingers found soft, wet flesh. It took me a couple of seconds to realise that she wasn't wearing knickers. What I was touching was smooth as liquid silk and we both took a sharp intake of breath. I was fingering her pussy. She opened the door and we started stripping our clothes off even before it was shut again. We left a trail of clothes from front door to bedroom and we were both naked by the time we reached her bed.

"This is what you want, isn't it?" she asked, wriggling backwards up the bed and spreading not just her legs but her labia. I looked down and couldn't help but think that the pink lips looked like a delicate butterfly. I got on the bed, kneeling so that I could examine her pussy. As I moved between her wide open legs, she grabbed me and pressed my mouth onto her pussy. My head swam as though I was drunk as well as horny.

> "Her legs were parted and my fingers found soft, wet flesh."

Her gasps and moans filled the room as her hips lifted, trying to force me to pleasure her. I knew what she wanted and knew how to satisfy her desperate hunger – and mine. I licked and sucked, feeling the heat rise in her swollen pussy lips even as my fingers started to rub faster between mine. I was hot and desperate – desperate to make both of us climax. I slipped the fingers of my left hand into her pussy as I rubbed my clitoris. I needed to come now. I probed with my tongue and swirled it in endless circles around her clitoris. Her arse lifted off the bed again as she pressed her pussy against my mouth. I could feel the energy tightening her body. Her pussy flexed, gripping my fingers, as loud, gasping screams filled the room. I'd made her do that. The reaction in my body was instant and intense. Every muscle pulled tight and my body vibrated with ferocious waves of pleasure as she clamped her legs around my head.

She gave a groan of satisfaction before glancing at the clock and giving what sounded like a violent curse. "I must go," she said, jumping out of bed. I watched as she reversed her way through the trail of clothes leading to her front door. "You can stay."

I did stay – until it was time for me to start my new job. However, she has since decided that it's time she got out and saw a bit of the world – starting with my bedroom ceiling.

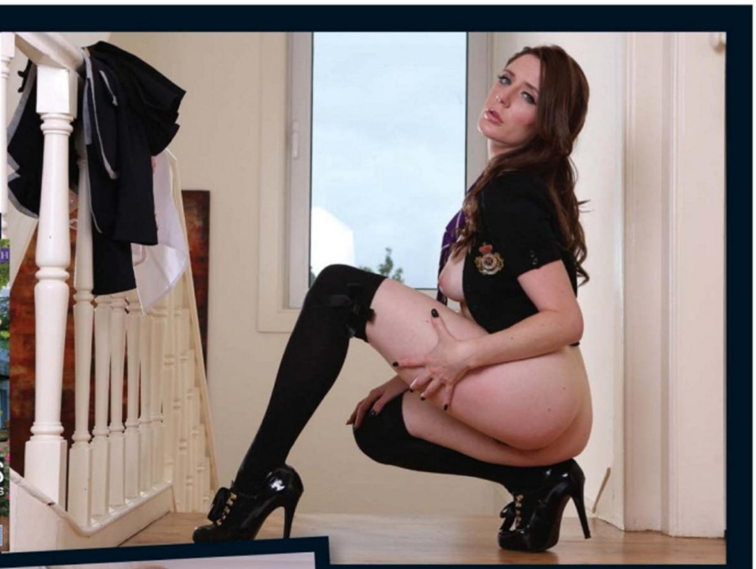
Young Harlots Slutty Delinquents

Harmony

4/5

Cast: Lexi Lowe, Sam Bentley, Lola, Charlize, Tiffany Doll, Georgie Lyal.



First of all no, your eyes do not deceive you – that is Lexi Lowe's name in the credits up there, and no, she's not just doing some sort of lesbo nonsense either – this flick sees Lexi getting properly down and dirty for the first time (well, on screen, that is). But hold your fire, mister – the guys at Harmony clearly know what they're about because they've held Lexi back till the very last scene, so for the sake of politeness if nothing else we really ought to mention the other girls who put in such sterling efforts along the way.

First up is a very cute blonde who goes by the name of Lola, and who's quite the expert cocksucker, judging from the way she handles the brace of knobs on offer to her. The double-dicking that follows proves that she's no mere warm-up act, either – this girl is a serious contender who looks absolutely stunning as all three of her holes are plundered in turn. A very strong opening – which is exactly what she must possess herself, judging from the hammering it takes!

Just the one knob for ponytailed Tiffany to negotiate next, but it doesn't take her long to jam it up her arse, the little minx, and ride it like her very life depends upon it. Next up Sam and Charlize share a prong, but only Sam lets it plunder her bunger. There's no anal fun from big-boobed Georgie… and then it's Lexi's turn. Well, there's nothing to be disappointed about here – the girl puts on a cracking turn as she's shafted into the middle of next week. Deffo worth keeping an eye out for, this! **Available from your local sex shop.**

Doctor Adventures 16

Brazzers

Cast: Aletta Ocean, Nikki Sexx, Lisa Ann, Phoenix Marie, Brittany Andrews.

Hmm, this is the first of two medically themed flicks up for review this month – do you think the scruff-mongers have realised that everyone's feeling a bit shivery and croaky at this time of the year? Probably not, but if you are under the weather, this title, or the Private nursey one, might just be the thing to put a spring in your step again.

Aletta's clearly a very thoughtful medic, not commenting on the fact that her glum-looking patient smells of fags (he's just been having a gasper) but also accommodates him by letting him a) sit by the window and b) duff her up the jacksie. She looks quite a sight spreadeagled on her desk as he pounds away; her botty getting a real working over before the suddenly recovered patient's done with her!

It's strictly front-door fun for Lisa Ann's bunk-up in the next scene, but he doesn't look too put out about that, and I don't think I would be either; she's an energetic cock-jockey with fabulous fun-bags, which should be more than enough for most.

The last two girls have no such qualms, offering up their arses in fine style. Rude stuff! **Available from your local sex shop.**

7 Anal Nympho Nurses

5/5

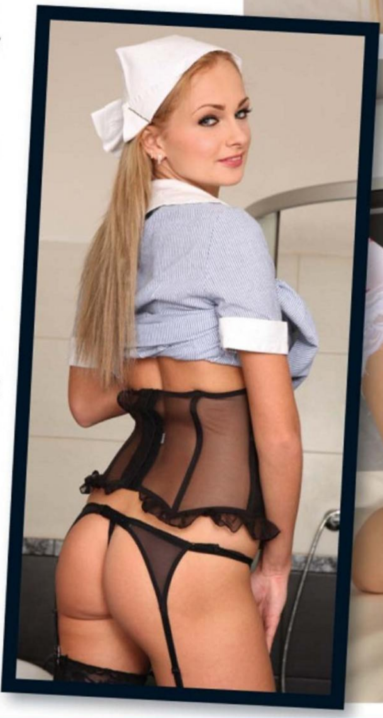
Private

Cast: Valentina Nappi, Blanche Bradbury, Cherry Kiss, Ivana Sugar, Lyen, Mire Sunset, Wild Devil.

These Private titles – they're a bit cryptic, aren't they? I wasn't really sure what to expect from this flick, but it turns out there were clue to be had in the title after all, because yes, it does in fact feature 7 nurses (well, porno sploshers dressed up as nurses) who have a penchant for a spot of anal fun. Ahem, anyway, we kick off with the delectable Valentina, who's just come off shift and is looking and feeling a bit bleary. In fact she's so whacked that when she sees four blokes kicking a football around, she starts to fantasize… and before you know it she's kneeling on the floor between them slurping on their rapidly swelling knobs! Well, what follows is something of a blinder – this girl clearly loves a cock or four, and goes to town wanking and gobbling (and gurgling) until they're more than ready to poke her other holes, starting, as you might expect, round the back. A DP follows as well, and by the time the lads had done and drenched her with their goo I couldn't help wondering of the bods at Private hadn't shot their bold a bit and put the strongest scene first…

Well, as it turns out, they had, yes, although that's not to say there isn't plenty to keep you interested as the remaining 6 anal nymph nurses go about their business. Ivana Sugar does her best to console a callow patient who's worrying about dying a virgin. She offers up her meaty flange and jacksie quickly enough, and the lad perks up no end as he gets stuck in. I wonder if services like this are available on the NHS?

Three rather tasty trainee nurses get an anatomy lesson next, with the help of a naked stud who's rewarded for his work with a crack at their cracks. A lesson well learnt in anyone's book, I'd have thought. Lyen, meanwhile, gets a right gape on courtesy of a strangely haired doctor, and Wild Devil lives up to her highly improbably name in the last coupling by, well, getting bummed in a nurse outfit. Ticks a lot of boxes, this one!



Creampie Teens

3/5

Adult Channel

Cast: Denise Sky, Athina, Mira, Lien, Jess West.

No, before you ask – the sobriquet Creampie doesn't mean that these teenies are interested in desert manufacture, not are they involved in some sort of Great British Bake-Off style competition to see who can churn out the best pud. No, they're creampie teens in the sense that, when making a mucky film with pro-cocksmen, they're happy to let them drop their loads internally, rather than splash it all over their faces in more traditional porno style. Well, that thought either turns you on like nothing before or leaves you feeling slightly nauseous, and whether you feel like buying this flick rather depends on which!

The girls themselves are all teeny and game enough, but the highlight of the film for me was UK babe Jess West, who's last up. She's clearly a talent in the making, and the (sadly rather brief) sight of her fella's hot harry dribbling out of her smoo is not one I'll be likely to forget in a hurry.

STY SLUTS GET FUCKED BY BIG COCKS

Don't you hate it when you stroll into the bedroom, only to find a couple of largely-benorked flampers lezzing it up right there on the bed? It can really ruin your plans for the evening – not to mention making a mess of the linen. Still, James Brossman's clearly made of sterner stuff than your or I, because when he stumbles in on Gianna and Laura mid-fumble, he just joins right in with nary a word about what the hell the busty pair thing they're doing. After fingering both girls he sets about screwing them in turn, although the presence of cock isn't enough to completely turn the girls from their sapphic designs, because they keep chowing on each other's snizzes whenever they get the chance.

Red haired (up top, at least) Katy gets a knob all to herself, and perhaps in appreciation of this exclusivity she lets her stud poke her arse. No time here to really assess Lucy and Tarra, but they're both busty and pretty damn filthy!

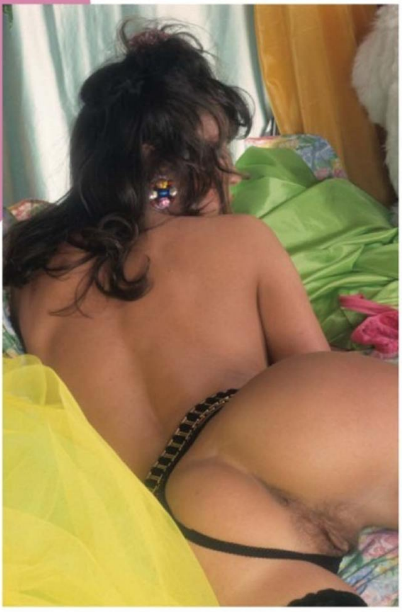
JULIA

VINTAGE Men Only



These trouser-tenting pix of the wondrous Julia Guilda first saw the light of day in *Men Only* 55.10, getting on for 24 years ago, and it's not hard to see why she was such a favourite among our readers, is it?! And guess what, you can win a copy of the entire set! Just tell us the name of the model who's listed after Julia on Joanie Allum's website www.joanieallum.com and email your answers to Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU, or email us at menonly@paulraymond.com by April 5th 2014!

WorldMags

Stone the crows – what's this, another *Men Only* debutante?! I make that three this issue (there's one more to come, in case you were wondering), which always makes a magazine extra special as far as I'm concerned. Isn't it great to know that there are so many horny new girls out there who are horny enough to give us an eyeful of their charms? So Terri, tell us a little bit about yourself and how you've found your way into the pages of the nation's longest running skin mag…

"Well, it's not something I'd have imagined myself doing a couple of years ago, that's for sure! I had rather a strict upbringing at a Catholic school, where we all had to keep ourselves covered up pretty well all the time! It was only when I left that I started to become a bit more comfortable with my sexuality… and then I finally discovered boys! SInce then I've been on a bit of an odyssey, and doing some nude modelling is just my latest step!"

Good luck with it then – and if you need a hand with any more steps in your odyssey, please give us a call!

ARUBA

Photos: **BB Media**

Ah, I think it's about time we unveiled another *Men Only* debutante, don't you? Aruba here hails from London, and has rather exotic looks, don't you think? Still, when she turned up it was her bubbly personality that first got us hooked – she was all giggly and smiley, and had us eating out of her hands even before we'd clapped eyes on her fabulous boobs and mouthwateringly meaty flange!

As you might just expect from a girl who's rubbing herself off in front of the cameras, it turns out Aruba's got a pretty wild side to her…

"Well, you only live once!" she grinned, wickedly, "so I reckon you ought to try everything – as long as it's legal! That's why I decided to get into adult modelling. The thought of it always made me horny, and I don't want to be an old lady in 50 years time looking back and regretting not having given it a try!"

What a refreshing attitude – there's nothing better than a nubile 25 year old who's ready and willing to grab the bull by the horns, is there? And talking of horns, I think I'd better wrap this blurb up so I can go and do something about the one I've developed looking at these pictures!

Issue 79.04 on sale April 4th

We're all for a spot of *entente cordiale* here at *Men Only*, which is why next issue we're going to be featuring two of the hottest babes from either side of the channel! Holly Gibbons is back after an inexcusably long absence (we've already had words with the Ed about that!) while Gallic temptress Anisssa Kate is representing the continental side of the bargain. There'll be loads more, of course, but you'll just have to wait a few weeks to find out, alright?!
